FORTY-SECOND AND PINE STREETS
PHILADELPHIA

October 1, 1907.

My dear Dr. Robinson:

I want to be among the number of those who bid you and your family a hearty welcome to West Philadelphia. Your predecessor has been a very dear friend to me since my coming to this city two years ago, and I know that the Woodland Church and its pastor will have just as firm a friend in you. I feel that I already know you through my brother-in-law, George Van Dyke, for he and my sister have often spoken of you; also your cousin, Charles Robinson, of the Peekskill Military Academy, was a classmate and friend of mine in Princeton; too, his brother, Dr. Robinson, of McCormick Theological Seminary, was in Syria and Palestine last summer and brought Mrs. Swain with them as far as Naples, where I met her in August after a visit which she had had with her father, Dr. Samuel Jessup of Sidon.

You are coming to a fine field and will work among a very evangelical people. I trust that you will command my services whenever I can be of any help to you whatever.

Again wishing you every success in the new work to which you are now looking forward, I remain

Most cordially yours,

James Rainey Swain

My dear Mr Robinson

Your letter of the 9th has been received.

It is most gratifying and assuring to hear from you my Pastor and friend along lines of christian sympathy and brotherly consideration and I thank you most sincerely and so replying to your kind words I hand you what has been my thought for some time and so expressed to my friend Mr Edward P. Alexander and what I had intended to confirm to him before the annual meeting of the Congregation.

Most fully I concur in the thoughts expressed in your letter and to say I have no desire to get out of touch with the church but to say conditions have been and are such that it seems to me the course to pursue for the good of all interests is to fill place to another to take up and share the duties of the session and I assure you of my loyalty to my pastor, the session and my successor.

Will call to see you in the near future for a personal talk a heart to heart talk.

Wishing you abundant success as an under shepherd and long years of great usefulness in our masters kingdom may you come at last as a shock of corn cometh in in his season

I am most sincerely & truly yours

Dear Court:-

I learned this morning that the West Presbyterian Church of this City, is looking around for a new Pastor to succeed Pleasant Hunter, who has resigned and leaves January 1st. This is confidential.

The Committee will go to Glens Falls to hear Mr. Mackey next Sunday. The Chairman of this Committee is a good friend of mine, and I suggested their going to hear you. Would you consider ~~the~~ a call to a good New York Church? This church is situated in the best residential section of Manhattan; 91st, Street and West End Ave., and a good live man is what they want. If you want me to look further into the matter I will gladly do so.

Minnie and the children may possibly run out to Cortland this week or next, to spend a little time and if so, I will make a little visit for a few days, over Sunday, and will surely look you up in Syracuse.

With best wishes to you all for the approaching Holiday Season, I am,

Yours very truly,

A. V. Langenbacher.

My Dear Court:-

I received your letter yesterday and called on my friend, Mr. Armstrong of Brokaw Bros, to-day. He informs me that the Committee is very much inclined towards the Glen Falls man, as he has been highly recommended by Dr. MacKay of this city and Dr. McKenzie of Elmira. If the Committee, on their return, report unfavorably they will probably look you up.

Mr. Armstrong said he thought it the better way to hear a man without his knowing it rather than to have him come and preach for them, so I did not say any thing about calling on you to substitute for January 6th, as I did not think it advisable under the circumstances.

I do not think we will be out to Cortland until February, as we have changed our plans and will probably go to Fort Edward for New Years. With regards I am,

Yours very truly,

C. R. Langenbacher

Minnie just decided to go to Cortland, if I can get away tomorrow, will go via N. Y. C. and call on you between trains
